

# HEALTH & WELLNESS POLICY

MERIWETHER GODSEY AT LEWIS GINTER BOTANICAL GARDEN is committed to the health and safety of our food service staff, the staff and volunteers of the Garden and of our guests.

To insure the health and safety of all, in partnership with local government and health officials, we are committed to the following policies:

- All dining staff will wear face masks at all times
- All dining staff will be screened daily for wellness

- All dining staff will continue to practice safe food handling procedures
- All managers & supervisors are ServSafe Certified & have completed Covid-19 training & certification

- All tables, chairs & contact surfaces will be cleaned & sanitized regularly
- All service areas & seating areas will comply with social distancing guidelines

- Hand sanitizer will be readily available to all guests & staff

*Stay Safe, Be Well & Welcome Back!*
